

# VATICAN II

## THE JOURNEY CONTINUES

**Tuesday 15th October**

### **The Inner Journey: The Universal Call to Holiness**

*Denis Robinson CSSp, PhD (Marino Institute of Education)*

It is said that the greatest and most adventurous of journeys is the journey inward towards the discovery of the true self and ultimate meaning. Vatican II in its document on the Church (*Lumen Gentium*) gives us a sense of the significance of the inner journey to holiness and into God to which we are all (laity and clergy alike) invited.

**Tuesday 22nd October**

### **The Promised Journey of Vatican II: A Vision for Hope and Joy**

*Suzanne Mulligan, PhD (St. Patrick's College Maynooth)*

The Church's social action in the world is often considered one of the most positive aspects of the Church's life and mission. This talk explores several key features of the Second Vatican Council's Pastoral Constitution on the Church in the Modern World (*Gaudium et Spes*). Its continued relevance for our world today will be discussed, as will various issues that continue to call for Christian social response.

**Tuesday 5th November**

### **An Unfinished Journey: The Role of the Laity in the Church**

*Bernadette Toal, PhD (Orlagh Retreat Team)*

Vatican II gave us a vision of the Church as the *People of God*. All are called to the same holiness and "lay people are personally called by the Lord, from whom they receive a mission on behalf of the Church and the world" (CL23). How can we be inspired by these words today when so many are disillusioned by the Church's behaviour in the recent past?

**Tuesday 12th November**

### **The Goal of the Journey: Life after Death**

*Brian Grogan, SJ, PhD*

*(Author of **Where To From Here?**)*

Vatican II refers to "the Pilgrim Church and her Union with the Heavenly Church" (LG Ch.VII), but what happens when we die? Do we all dissolve into nothingness? Or will we all rise again into eternal and glorious life? Is this life only a hint of better things to come? Does the goal of the journey show us how to live rightly our present lives?
